# Learning Bird

Learning Bird - Quick Tips Guide

Here are a few helpful tips to get you started with navigating Learning Bird. If you need any help, please don't hesitate to contact your Education Account Lead.

Logging in

- **Type the full URL** directly in your browser's **address** field to access Learning Bird .

    Nest URL: nest.learningbird.com   OR   Cloud URL: app.learningbird.com

- **Log in** using your email and password.

    If you are using your personal device to log in, you may want to bookmark this page so you can quickly access it at a later time.
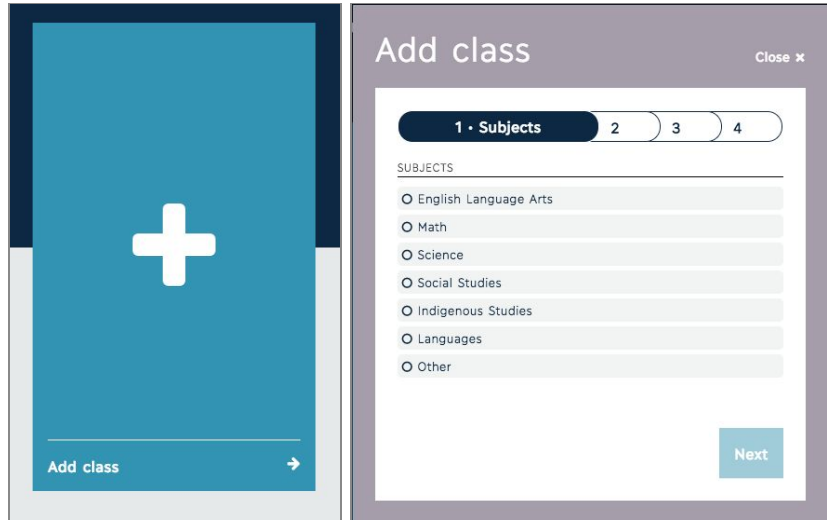

Learning Bird

Creating a class

1. Click the *Add class* card on your homepage.
2. In the wizard, choose the subject you teach, followed by the grade level.
3. Select a course from the list of courses that match your province's curriculum or click *none* to create a custom class.
4. Give your class a name and click *Add*.

Creating a section
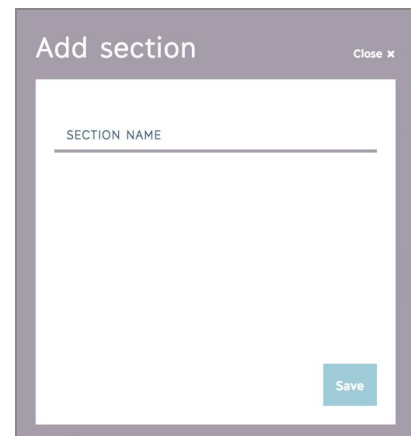

To share resources with your class, you must assign resources to a section.

1. Click *Add section*.

2. Name your section. You can organize your sections by week, topic, season, etc.

3. Click *Save.*

Finding resources

You can browse by subject area or find resources using a keyword.

- Browse resources by clicking *Browse* and selecting a subject.
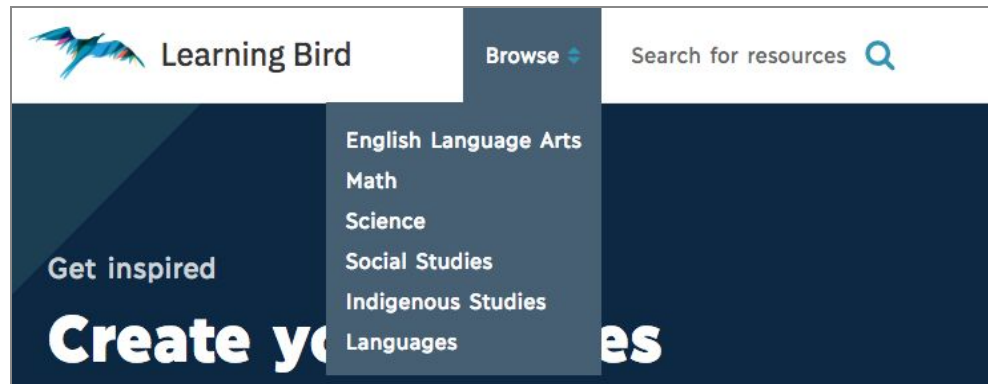

- Search for resources using the *keyword search.* Type in one or more keywords and press Enter to see your search results.
- Narrow your search results by applying *filters*.

- Filter by grades, topics, resource types, and more.

Learning Bird
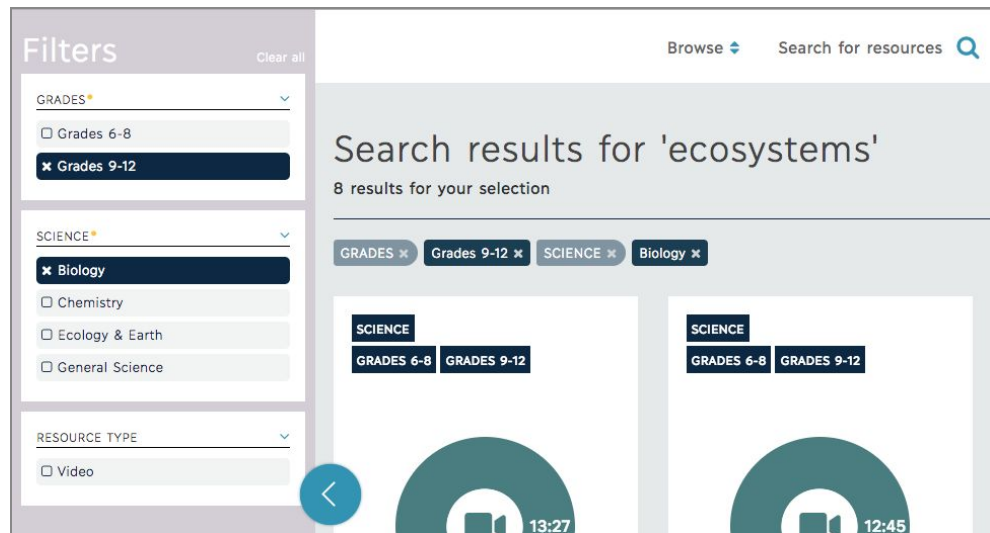

You will find two types of results: resources and resource kits.

Resources

- A resource can be a video, audio file, presentation, or handout.

- Hovering over a resource card will reveal the back of the card where you can:

Go to Resource

Add to Class

Add to Resource Kit

Add to Favourites
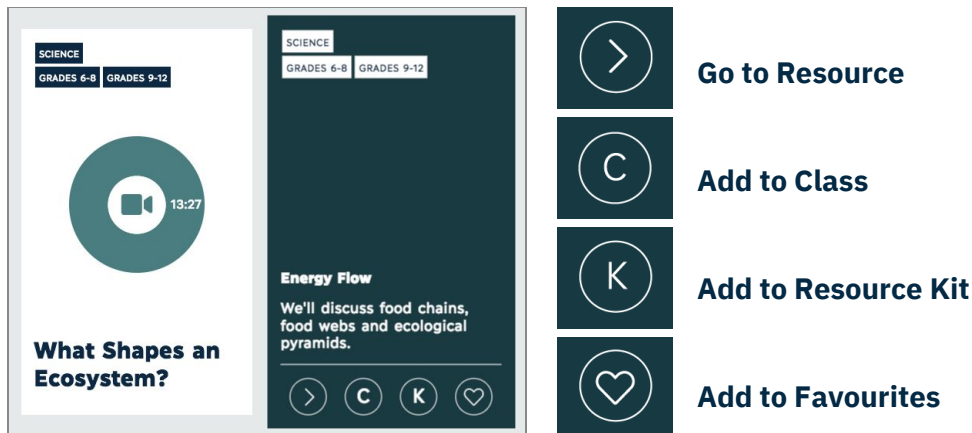

Resource kits

- Hovering over a resource kit card will reveal the collection of resources, including the resource titles and types. You can:

Go to Resource

Add to Class

Add to Favourites

Learning Bird

Adding a resource to resource kit

1. Click the *resource kit icon (K)* on the resource card.
2. Select the kit you want to send the resource to.
3. Click *Save*. You can also create a new resource kit from this menu.

Managing your class pages

Click the *Edit* button on the class page to:

    Class: Edit the subject, grade, course, or class name.
    Co-teachers: Add a teacher from your school to your class page.
   Your co-teacher will have the same view and permissions as you
    but cannot delete the class.
    Delete: Delete the class.

Profile

Click the Profile picture (or initials) to display the *Profile* drop-down menu:

    Favourites: Access your favourite
    resources.
    My profile: Edit your profile, login
    credentials, and profile picture.
    My uploads: Upload and manage your
   own resources (*Cloud Only*).
    My resource kits: Create and manage
    your custom resource kits.
    Account classes: See all classes
    associated with your school account.
    Sign out: Sign out of your account.
    Your Classes: Access classes you've
    created.
    Notifications: View notifications sent
    by the Learning Bird team (*Cloud Only*).

Learning Bird

Finding your community resources *(if applicable)*

If your school or community has created resources in collaboration with Learning Bird, you can access them by clicking your school or community name.
